January 2013

Hello Car Guys & Gals,

Happy & Safe New Year from the Officers and Directors of the ACCC. I wanted to write and bring you up to date on some of the happenings inside the ACCC going into 2013.

First off, with the New Year comes new legislation and regulations. We will be sure to keep our ear to ground and inform you of any issues that may be harmful to the collector car hobby. I don't need to tell you that we need to be more vigilant than ever now that the California Legislature has a Super-Majority. I would also encourage you all to keep your ears open and let us know if you hear of any issues that we should be aware of.
